

DEMOLITION

At Westcoast Construction & Demolition (WCCD), we are committed to promoting zero harm. To meet this commitment, WCCD provide healthy and safe-working conditions for all teams associated with our business, this includes employees, contractors, visitors and members of the public.

Our team at WCCD have a responsibility for implementing various policies by striving to achieve zero tolerance towards hazards, incidents and accidents.

Company Work Health and Safety

Westcoast Demolition & Construction specialise in the demolition and deconstruction of building structures and the defit of existing offices, commercial and retail shop fitouts.

For commercial operations reaching the end of their lease, changing locations or looking to conduct a full scale interior renovation, our defit services assist all.

We include the safe removal of all furniture and fixtures, electrical systems, ceilings, linings, hazardous materials and any other permanent fixings, alongside a thorough clean ready to vacate or facilitate a future fitout.

With our ongoing training and expertise to manage the process of removing and disposing of asbestos/hazardous products in accordance with statutory regulations, WCCD provide safe, reliable and efficient deconstruction services.

We are experts at partnering with clients to achieve an optimum outcome, on budget and on time. Our client list includes;

- Bethanie Group
- Broadspectrum
